Price List Utilities

- With its intuitive wizard driven interface you will be able to:
 - ✓ add new price lists to multiple products
 - ✓ update pricing information globally (by percentage or fixed amount)
 - ✓ copy price lists from one product to multiple products
 - ✓ remove price lists
 - ✓ import or update price lists from a flat file
 - ✓ export price list to a file which can be used later as a source for import
- And all of it requires just few simple steps, available directly from Microsoft Dynamics CRM interface
- No client or server side installation needed.
